Artificial Intelligence Curriculum Materials for Elementary
and Secondary Education – Digital Competence Development

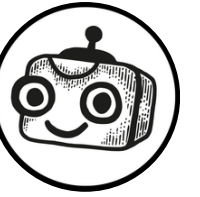

Synthetic Nudity

Fake Nudes and Cyberbullying

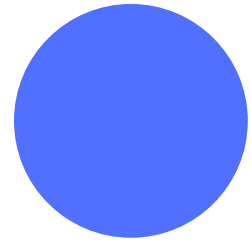

Wellbeing III

90 min lesson

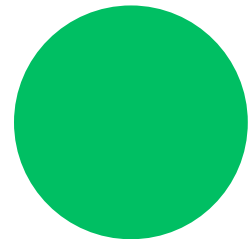

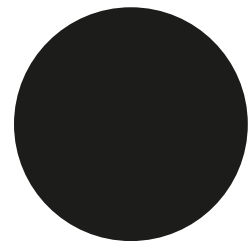

Color key in the Digital Experience Map

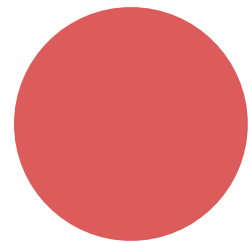

I don't know what this is about.

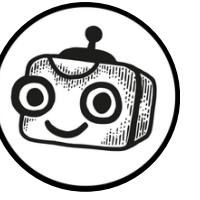

I've heard of it – from media, movies, or the internet.

Someone I know has experienced it.

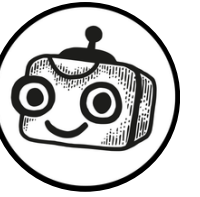

I've had a similar personal experience.

Fictional WhatsApp

Questions to answer

Who shared Sarah's edited nude photo first, and what motivated them to do it?

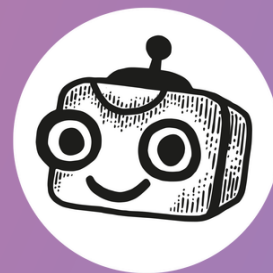

Who helped spread the fake image, who tried to stop it, and who remained neutral?

What would you have written in the group chat "Sarah wants you" to stop the image from spreading if you had been the first to respond?

Is what Simster did actually a crime?

How do you feel about livvv and Emma telling Lucy (Sarah's friend) what happened? Was that better than keeping it secret?

Finish the sentence: *"From Sarah's story, I realized that..."

Bye!
